

AQUARIUS SERIES

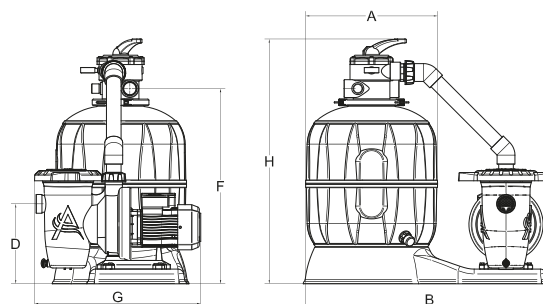

Gruppi filtranti su basamento

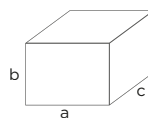

Base filtration systems

DIMENSIONI/DIMENSIONS

IMBALLO/PACK

Confezione filtro/Filter box:
a x b x c: vedi tabella/look table below

CAMPO DI UTILIZZO

Piscine private e spa con utilizzo di acqua clorata o trattata con sale.

CONTEXT OF USE

Private pools and health spa with chlorinated or salt-treated water.

DESCRIZIONE

Gruppo filtrante su basamento particolarmente indicato per piscine di piccole dimensioni vasche idromassaggio, piscine fuori terra.

DESCRIPTION

Base filtration system, ideal for small pools, whirlpools and above-ground pools.

CARATTERISTICHE TECNICHE

- Filtro Aquarius
- Valvola top con attacchi 1"1/2
- Pompa centrifuga con prefiltro LIPARI line attacchi d.50
- Collegamento filtro pompa in PVC rigido

TECHNICAL FEATURES

- Aquarius filter
- Top valve with fittings 1"1/2
- Centrifugal pump with LIPARI pre-filter and fittings d.50
- Rigid PVC pump filter connection
